

# Women in Surveying — Virtual Meet-Up

Hosted by Allison McDade, Chair, MSS Committee on Women in Surveying

**Greeting Women MSS members!** You're invited to help shape the new **Women in Surveying Committee**. Allison McDade has been with Dewberry Engineers Inc. for 12+ years and has been surveying since 1992. While our profession has evolved, women are still vastly outnumbered. Let's change that—together.

## What we'll discuss:

- What support and opportunities would help women thrive in surveying
- Your experiences—good, bad, and what improvements are needed
- How MSS can mentor, advocate, and attract and promote more women to the profession

<b>When</b>	Thursday, February 12, 2026 · 5:00–6:00 PM (ET)
<b>Where</b>	Microsoft Teams (link to be shared after RSVP)
<b>RSVP</b>	Email Khea Sam at <a href="mailto:khea@marylandsurveyor.org">khea@marylandsurveyor.org</a>

Thank you,

**Allison McDade**
